TABLE TENNIS CAMP

06.06. - 13.06.2009

The European Veterans Championships, which will be held in Poreč from 15.06.2008 - 20.06.2008, provides the highlight of the season for most Veterans. In order to prepare yourself efficiently and to be able to perform on your highest level in this big event, train under the guidance of Christer Johansson and Branka Batinić.

Christer Johansson as a player was a two - time team European champion and bronze medal winner with the Swedish team.

As a coach Christer Johansson was even more successful. He was the coach of world champion Stellan Bengtsson, Kjell Johansson and the coach of the multiple team European champion Sweden. Also, as national coach he worked for Germany, Switzerland and most recently he was sports director in Luxembourg.

Branka Batinić won several medals at World and European Championships, both in professionals, as well as for the veterans. She has over 10 years of experience working as a trainer in Germany, for the World Table Tennis Federation, ITTF. She helped the development of table tennis in the countries of Kenya, Jordan, and Trinidad and Tobago.

We offer you training at a highest level, including discussions with experienced staff, information about technical, fitness and tactical training, as well as education about materials... Of course with our partner **DONIC** you will train with the best materials!
