TUNED TO PERFECTION

The company „Civ savjetovanje“, which is the biggest organizer of table tennis events in Croatia (for ex. organises Table Tennis European Veterans Championships 2009), in cooperation with the specialist for Table Tennis travels „Reisebüro Scharff“, offers table tennis camps with international top coaches on the beautiful Adriatic island of Krk (Croatia), in time of Easter holidays and in summer.

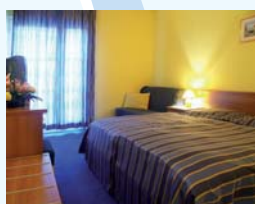

In cooperation with the company Donic, we have succeed to win Christer Johansson, one of the most experienced and successful table tennis coaches in Europe, who has had some great successes as a player, too. He was a two-time team European champion and bronze medal winner with the Swedish team.

As a coach **Christer Johansson** was even more successful, as he was the coach of world champion Stellan Bengtsson, Kjell Johansson but also a very successful national coach of Sweden- winning European team champs not in only one occasion. He also coached Germany and Switzerland, most recently he was sports director of Luxembourg Table Tennis Association.

Our camps offer you much more than just a training at a high level, as you have the opportunity to discuss with experienced staff, and gain information about technical, fitness and tactical training, as well as education about materials... And remember, with our partner Donic you will train with the best possible materials!

**Conditions of organisation:** all participants are obliged to unreservedly abide by the house rules and rulebook about the use of facilities for accommodation and nutrition, and sports facilities. In the case of serious violation of these obligations, the participant in question will be excluded from the course, whereupon his costs will not be compensated. During the course hours the trainer is responsible for general supervision. All participants are obliged to behave in a disciplined manner towards the trainers and course leaders and abide by their instructions. Supervision is only carried out during course hours. Minors may only participate with the permission of their parents. In the event of non-abiding by the above listed rules, the organiser will bear no fault. The organiser will not be liable for any accidents of any kind, that is, for lost money, valuables and clothing, etc. „CIV savjetovanje“ may at any time cancel a course, not listing reasons, given that they must return the paid amount. Participation and use of accommodation are only possible if payment is carried out 1 week after receiving the invoice.

**Please carry out payment, at the latest, 8 days from issuing the invoice!**
